

To Our Members:

On behalf of the NCSLA Executive Committee, I hope that you and your families are safe, healthy, and optimistic for a brighter future during these challenging times. In light of the impact of COVID-19 on our families, communities, and businesses, registration for the 2020 Annual Conference has been postponed. Going forward, I have convened a teleconference meeting of the Executive Committee on Friday, April 24th, at which time we will evaluate the feasibility of opening registration for this year's Annual Conference. In the event a decision is made to forego the in-person meeting, we will discuss the possibility of hosting a shorter, virtual version of the Annual Conference on one of the June dates. Please look for updates in your email and on our website.

Stay well, stay safe,

Anna Hirai

President

National Conference of State Liquor Administrators
