

Dear NCSLA Member,

I'm pleased to announce the dates of the *first* virtual 2020 Annual Conference. This complimentary 2-day program will include half-day sessions on June 16-17, 2020. The June 16th program is for "members only" and includes the traditional *Legal Update* by Richard Blau and the Annual Business Meeting.

The June 17th program is free and open to both members and non-members. This session will feature three panels on current topics of interest and conclude with a preview of the 2020 regional conferences by each host state member.

Make sure you have the dates marked on your calendar and plan to join us. We'll be following up soon with more details so watch for an email announcement.

Stay well, stay safe.

Anna Hirai
NCSLA President
